EXPERIENCE

MUDWORKS LLC, Redmond, WA   2023 - 2024
Design consulting firm serving the single-family new home construction and renovation market
Founder and CEO
- Drove $2.1M in revenue in the first year by acquiring 8 new clients, enhancing property values by an average of 1.7x
- Optimized collaboration across three time zones by utilizing cloud-based project management tools, resulting in a 65% reduction in overlapping errors and a 45% acceleration in design processes
- Streamlined operations by integrating Agile and Lean construction methodologies, reducing construction timelines by 30% and waste by 14% across multi-site developments, resulting in 12% increased profits

GGLO, Seattle, WA   2017 - 2023
Integrated design firm building sustainable and communal living for clients across the US
Senior Designer / Project Manager (2020-2023)
- Managed urban-scale and transit-oriented developments worth over $4.5B, including the $1.5B Northgate Redevelopment with Simon Property Group, revitalization of Redmond Town Center with Hines and Avalon Group
- Led strategy discussions focusing on financial models and market fit; presented ROI studies to C-level executives at S&P 100 companies, securing buy-in and achieving 20% cost savings and a 7% increase in rental revenue
- Spearheaded sustainability efforts through green certifications, leading to 27% lower energy use and 6% higher rents

Designer (2018-2020)
- Drove adoption of cloud models facilitating live visibility, reducing workflow errors by 42%, saving cost by 28%
- Elected as Emerging Professional Leader at the firm, planned a networking event for National Organization of Minority Architects to connect industry experts and 150+ attendees; host socials, and provide mentorship to incoming designers

Design Fellow (2017-2018)
- Led a team of 20 designers for an art installation at Seattle Design Festival, boosting brand visibility for 18K attendees

22BATE7, Remote   2018 - 2022
An ed-tech startup funded by Social Alpha, Winners of IIGP 2.0 by DST, Lockheed Martin and Tata Trust
Founding Member - Product Lead
- Led NPI for a digital class polling system, driving an 8X improvement in learning outcomes within 4 weeks
- Optimized functionality and design for 150K users, raising the Play Store rating from 4.1 to 4.6 and achieving a 9/10 NPS
- Drove the adoption of our flagship product to evaluate over 1M children for Agastya Foundation, eliminating 90% of manual data entry and 99% of data cleaning, resulting in 35% savings and 60% increase in class learning time
