

Yi (Margaret) Hui, MBA/EdD/MS

Seattle, WA | 408-966-7263 | huiy3@uw.edu

Objectives

Highly motivated MBA/EdD professional and a current Master student at UW seeking a financial leader position in an RSO. I worked for government agencies at municipal / provincial/federal levels in USA and Canada. With 20+ years of work experience in the public services and private sectors, I have expertise especially in financial analytics, budgeting, and investment promotion.

Skills and Abilities

- Strong knowledge of American Accounting GAAP regulations, as well as the global;
- Superior capability to work effectively across internal and external organizations, carry on multitasks, and thrive in a fast-paced environment;
- Excellent academic and career background and bilingual communication skills to well represent the UW graduate and professional student body groups;
- Educational leadership to train team members and task forces;
- Resourceful network in academia, business, and government to draw on for fund-raising both in Washington and California states;
- Advanced analytical skills in finance with business insights to explore, research, forecast, and find resolutions and dispute settlements.
- A quick learner, team player, detail-oriented, friendly, and excellent at cross-cultural communication.

Work Experience

Independent Business/Education Consultant, Self-employed 2019-now

- Provided college counselling services to students pursuing higher education in American and Canadian colleges/universities.

Senior Accounting Analyst, Alameda Health System 2017-2018

- Performed variance analysis for the general ledger and analyzed financial results in comparison to the budget, identified trends in accounting transactions and evaluated their significance of impact.
- Undertook analytical review and reconciliation of the assigned balance sheet accounts to ensure the accuracy and completeness of transactions.

Researcher/International Relations Coordinator, City of Tacoma 2014-2016

- Conducted research on Tacoma's strategies to attract FDI (Foreign Direct Investment).
- Coordinated work of the Mayor's Commission in International Relations.
- Sister Cities programs administration.

Risk Investigation Specialist in operation, Amazon Corp LLC.

2012

- Investigated and analyzed problematic online transactions to mitigate e-Commerce risks.
- Monitored operational procedures and suggested process optimization by coordinating in a timely manner across different departments, and with a focus on customer centric.
- Performed analytical research to determine the fraud patterns and processed Amazon chargeback related to credit card compromise.

Manager/Trade Commissioner | Canadian Trade Office in China

2009-2011

- Produced ongoing analysis and forecasts for Canadian and external partners to access markets.
- Formulated and executed strategic initiatives to promote two-way transactions and investment.
- Provided business consultation and business leads to clients to help develop business.

Section Director of Fair-Trade Bureau, China JS Provincial Government 2000-2009

- Analyzed monthly data on foreign trade and provided suggestions on policymaking and policy changes.
- Edited and evaluated the content provided by internal divisions, and developed reports on industrial evolution, market supervision, and business modeling analysis.
- Reviewed 150+ Feasibility study reports to allocate the government grant for projects that would increase technologic competence for export.

Visiting Scholar, Munk Center of Global Affairs, University of Toronto 2006-2008

- Researcher on WTO Agreements, Anti-trust Law and Competition policies
